### **COPYRIGHT RELEASE FOR SPEAKERS/PRESENTERS**

This form is provided to you as a speaker in a seminar, lecture, or other presentation organized by Chinese Education Services (CES). CES would like to capture your presentation in audio and/or video format (if applied). To that end, we want to make certain that both you and the CES have the necessary rights and protections to continue to benefit from your presentation. At the end of this process, a copyright release will be generated covering the captured presentation (“Recording”) and use of all accompanying materials (“Materials”).

CES will hold the copyright to the Recording and would like to have the option to continue to use the Recording and Materials. In addition to creating an archive copy for educational purposes, possible uses of the Recording include, but are not limited to, inclusion in websites, the creation of CDs or DVDs in the future, and delivery to the public via distribution partners if necessary.

Please understand that there is nothing in this Speaker Release requiring you to give your ideas to CES. If you plan to give the same talk somewhere else, there is certainly nothing in this release that would keep you from that engagement. And, unless there is an exception called out to you by your CES host, CES is happy to provide a copy of the Recording to you and will grant you a non-exclusive license to use the Recording in any way you’d like.

The Content of lecture or presentation or any documents provided may include the personal opinion of the specific speaker and are not statements of advice, opinion, or information of CES. Neither the lecture content, nor the links to other web sites provided by the speaker, nor any documents or materials shared by the speaker, are screened, approved, reviewed, edited, modified or endorsed by CES.

Although CES is not obligated to monitor the Content of lecture or presentation or to review or edit any Content, CES reserves the right to do so for the purpose of regulating the forum, to ensure compliance with the educational purpose of the forum, or to comply with applicable law or other legal requirements in USA and CES reserves the right, but are not obligated, to remove or disable access to the record of any lecture or any attached lecture documents and materials, at any time and without notice.
